SM Doors has zero-tolerance for bribery and corrupt activities. SM Doors recognises that bribery and corruption are punishable by imprisonment, fines, exclusion from tendering for public contracts, and serious reputation damage. Corrupt activity of any single company affects industry as a whole.

What we do to eliminate it

Bribery refers to the act of offering, giving, promising, asking, agreeing, receiving, accepting, or soliciting something of value or of an advantage so to induce or influence an action or decision. Bribery is illagal. A bribe is made so as to gain commercial, contractual, regulatory, or personal advantage. Bribery includes both giving and receiving. Employees must not engage in any form of bribery, whether it be directly, passively (as described above), or through a third party (such as an agent or distribution). They must not bribe a public official anywhere in the world. They must not accept bribes in any degree and if they are uncertain about whether something is a bribe or a gift or act of hospitality, they must seek further advice from the compliance manager. Acceptable & unacceptable exchanges

Gifts & Hospitality

SM Doors accepts normal and appropriate gestures of hospitality and goodwill (whether given to/received from third parties), providing that the giving or receiving of gifts meets the following requirements:

Where it is inappropriate to decline the offer of a gift (i.e. when meeting with an individual of a certain religion/culture who may take offence), the gift may be accepted so long as it is declared to the compliance manager, who will assess the circumstances.

SM Doors recognises that the practice of giving and receiving business gifts varies between countries, regions, cultures, and religions, so definitions of what is acceptable and not acceptable will inevitably differ for each.

As good practice, gifts given and received should always be disclosed to the compliance manager. Gifts from suppliers should always be disclosed.

The intention behind a gift being given/received should always be considered. If there is any uncertainty, the advice of the compliance manager should be sought.

Facilitation Payments & Kickbacks

SM Doors does not accept and will not make any form of facilitation payments of any nature. We recognise that facilitation payments are a form of bribery

that involves expediting or facilitating the performance of a public official for a routine governmental action. We recognise that they tend to be made by low level officials with the intention of securing or speeding up the performance of a certain duty or action.

SM Doors does not allow kickbacks to be made or accepted. Kickbacks are made in exchange for a business favour or advantage, and we regard that as unacceptable behaviour.

SM Doors recognises that, despite our strict policy on facilitation payments and kickbacks, employees may face a situation where avoiding a facilitation payment or kickback may put their/their family's personal security at risk. Under these circumstances, the following steps must be taken:

- 1. Keep any amount to the minimum.
- 2. Ask for a receipt, detailing the amount and reason for the payment.
- 3. Create a record concerning the payment.
- 4. Report the incident to your line manager.

Political Contributions

SM Doors will not make donations in cash, kind, or by any other means, to support any political parties or candidates. We recognise that such donations may be perceived as an attempt to gain an improper business advantage.

Charitable Contributions

SM Doors accepts (and indeed encourages) the act of donating to charities – whether through services, knowledge, time, or direct financial contributions (cash or otherwise) – and agrees to disclose all charitable contributions it makes. Employees must be careful to ensure that charitable contributions are not used to facilitate and conceal acts of bribery. We will ensure that all charitable donations made are legal and ethical under local laws and practices, and that donations are not offered/made without the approval of the compliance manager.
